FLY GREEN WAVE

Welcome Aboard the
Green Wave Fleet!

OUR STORY

At Green Wave Fleet, we are committed to protecting the seas we sail on. Our mission is to provide an unforgettable yachting experience while minimizing our environmental impact. Here's how you can be part of our sustainability journey during your trip.

GREEN WAVE CLUB

Eco-Friendly Features On Board

All of our 7 Green Wave Yachts
have the following features

Solar Panels: Powering
essential systems with clean
energy.

Water Makers: Converting
seawater into freshwater for
shower use, reducing water
consumption.

Inverters: Optimizing energy
efficiency to reduce fuel
consumption.

**Plastic-Free Kitchen
Equipment:** Eliminating
single-use plastics from our
onboard dining experience.

Reduce Plastic Waste

1 LARQ Water Bottles: Refill and reuse your complimentary self-cleaning bottle to avoid single-use plastics.

.....

2 Reusable Tote Bags: Provided on board to help reduce plastic use during island visits.

.....

3 Recyclable Korres Amenities: All amenities are collected and sent back to Korres' recycling lab for repurposing.

.....

4 Recycling: Ensuring responsible waste disposal.

Support the Local Community

1

Locally Sourced Gifts: Enjoy high-quality Greek products, including extra virgin olive oil, crackers, and Assyrtiko wine.

.....

2

Partnership with Archelon: Protecting sea turtles—scan the QR code on your yacht to learn more and support marine conservation.

.....

3

Beach Cleanup Initiative: Use the Artemis Voluntary Beach Cleanup Kit to contribute to a cleaner coastline.

.....

ENERGY & FUEL EFFICIENCY

STEP 1

Follow skipper guidance to open sails whenever possible and reduce fuel consumption.

STEP 2

Maintain a speed of 5 knots to maximize fuel efficiency.

STEP 3

Turn off unnecessary lights and appliances to conserve battery power.

WASTE MANAGEMENT

STEP 1

Separate waste using the provided recycling and biodegradable bags.

STEP 2

Avoid throwing anything in the sea to protect marine ecosystems.

STEP 3

Use multi-surface Planet Spray & dishwashing liquid for cleaning instead of chemical-based cleaners.

Join the Movement!

By following these simple yet impactful practices, you help us preserve the beauty of the seas for generations to come. Thank you for being a conscious traveler and for choosing Green Wave Fleet for your sustainable sailing adventure.
